## OPEN HOUSE SCHEDULED BRIDGE REPLACEMENTS OVER LAKE LANIER

GAINESVILLE, GA – The Georgia Department of Transportation announces a public information open house meeting to discuss replacing three existing Bridges on State Route 369 Bridge over Lake Lanier in Forsyth and Hall Counties. The bridges to be replaced are at Six Mile Creek, Two Mile Creek and the Chattahoochee River portion of Lake Lanier.

The Open House is scheduled from 5 p.m. to 7 p.m. Tuesday, May 22 at Little Mill Elementary School located at 6800 Little Mill Road in Cumming. Georgia DOT engineers and consultants will be available to discuss the proposals. There will not be a formal presentation during the open house.

Anyone unable to attend the public information open house may send comments on the project to Glenn Bowman, State Environmental Administrator – Georgia DOT, 600 West Peachtree Street, 16<sup>th</sup> Floor, Atlanta, Georgia 30308. All comments will be considered in the development of the final project design and must be received by June 1.

After the open house meetings, plans and handouts can be viewed at the Georgia DOT Area Office located at 2594 Gillsville Highway in Gainesville or at the Georgia DOT District Office located at 2505 Athens Highway in Gainesville.

The plans will be available on the DOT website after the open house meetings at [www.dot.ga.gov](http://www.dot.ga.gov). On the home page choose "Information Center" then Public Outreach" and select the project's county and choose "Go." A list of active DOT projects in that county will appear. Select the project to view.

The Georgia Department of Transportation is committed to providing a safe, seamless and sustainable transportation system that supports Georgia's economy and is sensitive to both its citizens and its environment. Georgia is the 6<sup>th</sup> fastest growing state in the nation, yet 49<sup>th</sup> in per capita spending on transportation. Additional transportation revenues are imperative to grow and sustain Georgia's economic vitality and quality of life through the 21st Century. For general information on the Georgia DOT, please visit our website ([www.dot.ga.gov](http://www.dot.ga.gov)).
